## WHO WE ARE

# **VARSITY**®

— WINNING THE MATURE MARKET™ —

## 360° APPROACH

# HOW DO YOU SEGMENT YOUR PROSPECTS?

## CHALLENGE

### Go beyond demographics

Age

Marital status

Home value

Household  
income

Homeownership

Length of  
time in home

Net worth/  
income-producing assets

WHAT DOES  
“PSYCHOGRAPHICS”  
MEAN TO YOU?

## PSYCHOGRAPHICS

**psy·cho·graph·ics | \ ,sī-kə-'gra-fiks**

*noun*

**Market research or statistics classifying population groups according to psychological variables (such as attitudes, values, or fears)**

## PSYCHOGRAPHICS

## METHODOLOGY OVERVIEW: TWO-PHASED APPROACH

Identifying the  
psychographic  
differentiation of  
the very loyal

COMPARING TO

Broader  
community/  
marketplace

## METHODOLOGY: RESIDENTIAL SURVEY PHASE

- ▶ **Full census of all residents (as many as possible)**
- ▶ **Paper/pencil data collection**
  - Single day of data collection facilitated by consultants/staff
  - Ongoing data collection for subsequent two weeks

## METHODOLOGY: RESIDENTIAL SURVEY PHASE

### PART ONE

▶ **Assessment of residents' loyalty**

- Satisfaction with community
- Recommendation of community to others
- Willingness to move community again if given the choice (repurchase intent)

## METHODOLOGY: RESIDENTIAL SURVEY PHASE

### PART TWO

#### ► Ranking of key values statements (psychographics)

- Having an active **social** life and spending time with friends
- Using **technology** like the internet and cell phones to help manage my life
- Being adventurous and **experiencing** new things
- Maintaining a strong sense of spirituality or religious **faith**
- Being closely connected to my **family**
- Taking **care** of my physical and mental health
- Being congratulated or **recognized** for my accomplishments in life
- Staying **informed** about current events/news
- **Helping** and supporting others who are in need
- Living with personal **independence** and making decisions for myself

## METHODOLOGY: RESIDENTIAL SURVEY PHASE

### PART THREE

► **Satisfaction with:**

- Access to transportation services
- Variety of activities and recreation programs
- Quality of maintenance
- Timeliness of maintenance
- Effectiveness of administration
- Staff training
- Staff consistency with treating all people with kindness, compassion and empathy
- Variety of dining options
- Quality of food
- Overall value of the services at the community

## METHODOLOGY: SURVEY OF SURROUNDING MARKET/PROSPECTS PHASE

- ▶ **Conduct a survey of potential residents in the surrounding community**
  - Projectable sample (at least n=100 per community)
  - Potential prospects, screened for:
    - Age qualification
    - Income qualification
    - Willingness to consider a residential environment
  
- ▶ **Repeat psychographic ranking exercise**
  - Who matches the very loyal?
  - How do we reach them?
  - How do they feel?
  - What do they want to hear?

### Internal assessment

- Test instrument
- Conduct prep call with each ED prior to day
- Hold half-day session at each community
- Input information for review

### External assessment

- Craft survey instrument
- Test survey for logic and accuracy
- Field survey

## KEY FINDINGS

➤ **We learned some specific key points that are driving strategic and tactical discussions:**

- Top psychographic metrics
- Profile of living arrangements
- Bottom psychographic metrics
- Focus on future living arrangements
- Reasons for not considering a community
